

1 November 1966

MEMORANDUM FOR: Mr. Goodwin
1 J 08

1. I made the matter of my employment in the Agency a matter of record in the Preface to this second edition. The Preface itself with this sentence was cleared up and down the line shortly before you came into your present job.

2. The matter of my title, I imagine they got from Who's Who, and the unfortunate phrasing of the key sentence I suspect was their own idea.
